## BIG WIN FOR YELLOWKNIFE COUPLE!

A free LOTTO MAX ticket has changed the lives of **Kevin and Theresa Brooks**. The ticket won the game's second Top Prize of **\$669,940<sup>60</sup>** on the November 11<sup>th</sup> draw!

The couple had a stack of lottery tickets at home and decided to check them at the Reddi Mart, located on 5014-49<sup>th</sup> Street in Yellowknife. Several of those tickets won Free Plays that were entered in the November 11<sup>th</sup> LOTTO MAX draw. On Sunday, November 13<sup>th</sup>, Kevin took his free tickets to be checked.

After checking several other Free Plays at the Self Checker, this one came up a winner!

**“I thought, ‘Oh my God! Oh my God!’”**

“I started to turn flush!” Kevin said. The ticket had matched six main numbers and the Bonus to win.

“Theresa at first thought I was pulling her chain when I called to tell her,” he said.

“Then she started to jump and scream!”

The couple plans to pay some debt, top up their investments and maybe buy a car or something for their kids.

But there is something extra special the two would love to do.

“We might go to Vegas!”

Kevin and Theresa

laughed. “We’ve always

wanted to see Elton John there!”

## Making tracks in the NWT

The Snowshoe Lending Program, in its third year being offered by the Mackenzie Recreation Association, is one of the many initiatives funded by lottery proceeds in the Northwest Territories.

Snowshoes are lent, free of charge to user groups, usually for about 4-6 weeks at a time. The Association also offers instruction to groups at no charge. There are current 65 pairs of snowshoes available, which include traditional snowshoes as well as several different models and sizes of modern designs.

### A typical introductory program would include:

1. Introduction to the sport
2. Fitting individuals with snowshoes
3. Mechanics of movement
4. Warm up games
5. A snowshoe trek
6. Picnic
7. Outdoor games such as snowshoe soccer

Snowshoeing is a fun, relatively inexpensive, outdoor activity that builds cardiovascular fitness, bone strength, coordination, flexibility and can aid in weight control.

The MRA's mission is to enhance the quality of life for residents of the Mackenzie Region by fostering and supporting development of recreation, sport, youth, volunteers, culture, traditional events and leadership throughout the region. ## Supporting Art, Sport and Recreation in the Yukon!

Twenty five art, sport and recreation groups from throughout the Yukon will benefit from \$345,771 allocated by the Yukon Lottery Commission at their annual fall meeting. The Commission gives consideration to a number of criteria in its decision making including project volunteerism; fund-raising efforts; benefits to the community, region and/or Yukon; need for financial assistance; and other eligibility criteria. Funded groups are also required to provide recognition of the Lotteries Yukon funding. This helps the Commission raise awareness of how lottery revenues are used to support art, sport and recreation in Yukon communities.
