## **LOTTO MAX Jackpots: THE STUFF THAT DREAMS ARE MADE OF!**

Canadians are dreaming about the \$50 million LOTTO MAX Jackpot this Friday - but 25 Canadians already had their dreams come true thanks to last Friday's MAXMILLIONS – LOTTO MAX'S million-dollar prizes.

For Andre Labossiere of Edmonton, those dreams included a new motorcycle and the prospect of living mortgage-free. And Jean and Mona St. Godard of Winnipeg have dreams of travel to faraway places – and lots of it!

Twenty-seven sets of winning MAXMILLIONS numbers were drawn on June 11<sup>th</sup>, and 15 of the million-dollar prizes were won by 25 winning tickets. Jean and Mona split one of the MAXMILLIONS prizes with a winner in Calgary and one in Atlantic Canada, while Andre shared another million-dollar pot with winners in the Maritimes and Quebec. Each of their winning tickets won a third of the million dollar prize, or \$333,333.40.

Canadians are continuing to dream in record numbers as this week's \$50 million LOTTO MAX main Jackpot is accompanied by an estimated 45 MAXMILLIONS. Just think – the potential for dozens of Canadians to experience a lottery windfall in a single night!

Friday, June 18<sup>th</sup> will be the fifth time since LOTTO MAX launched across Canada in September 2009 that players will experience MAXMILLIONS prizing.

Each ticket sold for Friday night's draw is automatically entered in the draw for the \$50 million Jackpot and in all of the MAXMILLIONS draws. LOTTO MAX's main Jackpot has subsidiary prizes available for matching as few as three numbers. MAXMILLIONS must be matched exactly to win or share the \$1 million prize – there are no subsidiary prizes.

If Friday's main \$50 million Jackpot is not won, it and any MAXMILLIONS prizes not won will carry over to the June 25<sup>th</sup> draw: meaning another \$50 million Jackpot and even more MAXMILLIONS prizes to dream about!

If the Jackpot is won, but one or more MAXMILLIONS prizes are not, the remaining \$1 million prizes will be added to the June 25<sup>th</sup> Jackpot – increasing the \$10 million base Jackpot by whatever amount was not won in the MAXMILLIONS draws.

LOTTO MAX tickets can be purchased until 8:00 p.m. CT/7:00 p.m. MT/6:00 p.m. PT on Friday evening. The winning numbers and prize breakdown will be posted to wclc.com as soon as they're available; however, given the sales volumes and number of draws, results will likely not be available until Saturday morning.
