## **\$25,000 IN WHITEWOOD!**

Lynda Morton changed her mind – and won \$25,000 on THE WESTERN lottery ticket!

Lynda purchased a \$1 THE WESTERN SCRATCH 'N WIN ticket from Tri-Star Foods Ltd, located at Highway 22 East Drive in Esterhazy.

“I pointed to a Christmas-themed one but then saw THE WESTERN that I used to play and decided on that one.” Lynda explained.

When she scratched the ticket, she uncovered three cars symbols on the same line and won her choice of a vehicle or \$25,000.

Lynda was amazed by what she saw. “I couldn’t believe it when I saw the third car. I thought, ‘I’m dreaming, this is not real!’”

The Top Prize winner said she will pay some bills, share with family and do something special with her winnings. “Winter is going to be a little warmer this year,” Lynda smiled.
