WE'VE GOT WINNERS! LOTTO MAX WINNERS ALL ACROSS THE WEST

Friday's draw will give Canadians a chance at a \$50 million Jackpot for the fourth time – but LOTTO MAX has already delivered on its promise of creating more jackpot winners than any other game. In the Prairie Provinces alone, there have been 19 winners of MAXMILLIONS – the one million-dollar prizes that accompany LOTTO MAX – over the past three weeks!

Claire Letendre and Sean Ledingham of Saskatoon will be throwing themselves a wedding to remember after winning more than \$400,000 last Friday on their second-prize winning ticket. A happy Edmonton winner is celebrating the same prize amount. And the members of a group of eight co-workers at the Department of Defense in Winnipeg are grinning from ear-to-ear as they happily split half a million dollars. There are stories like this in every province.

Last Friday alone, there were four winning MAXMILLIONS tickets sold in Edmonton, one in Calgary, five elsewhere in Alberta, two in Saskatchewan, and two in Winnipeg. The two second prizes of \$409,012.60 went to Saskatoon and Edmonton. And that's not to mention the hundreds of thousands of dollars in subsidiary prizes ranging from Free Plays to more than \$6,500 that were won across the region.

LOTTO MAX was created to satisfy Canadians' expressed desire for a game that offered not only big single Jackpots – but also an opportunity for more winners of major prizes. The 76 winners across Canada of \$46 million in LOTTO MAX MAXMILLIONS prizes in the last three weeks would enthusiastically agree that the game has delivered on that promise.

This Friday, June 25th, in addition to the main LOTTO MAX Jackpot of \$50 million – there are an estimated 55 MAXMILLIONS available to be won. Next week, without a doubt, we will be celebrating more Western Canadian winners!
