<u>Flin Flon winner takes home $100,000 EXTRA</u>

Greg Phair was a happy man after discovering he'd won $100,000 when the EXTRA on his LOTTO MAX ticket on the June 23 draw. Phair's ticket matched the last six digits of the winning EXTRA number – 6324801 – to net him the windfall.

"It's a good feeling – one that I like!" he laughed when claiming his prize earlier this month.

The Flin Flon resident picked up his winning ticket the day of the draw at the Creighton Super Stop at 402 Main Street in nearby Creighton, Saskatchewan. He found out about his win the day after the draw when using a ticket checker twice before passing his ticket to a clerk at another local gas station to validate he really was $100,000 richer.

"Oh god, I was just kind of stunned," chuckled Phair.

Phair has had some time to think about what he'll do with his windfall, and says he wants to use it to treat those close to him.

"I'd like to set up some education for my grandkids and when COVID lifts I'd like to take my girlfriend to Ireland and New Orleans," he explained.
