## **Million-dollar SET FOR LIFE win in Winnipeg!**

When Rodrigo Zepeda scratched his SET FOR LIFE ZING ticket and uncovered three Set For Life icons, he was happy, but didn't know exactly what he had won. When he discovered he had won the game's top prize of one-million-dollars, he was thrilled!

"I had to take the ticket to the store to be sure about what I had won," he said. "It was crazy – I couldn't believe it!"

"I went to the store clerk and told him what I won," he continued. "He couldn't believe it either."

The winner said he has a couple of ideas for his winnings, starting with visiting his family who live outside of the country.

"The first thing I'm going to do is go and see my family," he said. "The big plan is to eventually have them come to Canada. But for now, a visit is going to be great."

The winner said he will also put some of his winnings toward his retirement fund.

Zepeda purchased his million-dollar-winning ZING ticket from Carlton Food Mart, located at 30 Carlton Street in Winnipeg.
