## **Whitehorse local wins \$100K prize on EXTRA**

Dorian Brown is ready to travel around the globe with his wife thanks to a \$100,000 EXTRA win on the January 6 draw.

The Whitehorse man was taking his dogs for a walk when he decided to check his ticket on the Lotto Spot app. Upon seeing the win, he stopped in his tracks.

"I was in shock from what I was seeing," he said. "I did honestly need to count the zeroes several times!"

He said the first person he called was his wife, and he told her to brace herself.

"She didn't believe me until I sent her a screenshot," the next winner laughed. "I think she was in shock, too!"

The winning pair plans to invest the winnings for their retirement and travel together.

"We do have a trip planned to Europe," he said as he claimed his prize. "Some of the money will be going towards that as well!"

Brown purchased his LOTTO 6/49 and EXTRA ticket for \$24 on the Lotto Spot app. He won his prize by matching the last 6 digits of the EXTRA number drawn on January 6 – **625915**.
