\$1M WESTERN MAX win in Regina!

REGINA (May 7, 2025) — Karen Carnduff won \$1 million on WESTERN MAX!

“When I went online to check wclc.com, there was only one million-dollar winner and it was in Regina,” she said. “I thought, ‘Oh my God!’”

“Then, I checked number-by-number and said, ‘Oh my God... oh my God!’” she laughed.

The Regina local said her first response was to, “yell like a madman!”

“My daughter was in the house and heard me yelling, so she came running downstairs,” she said. “I made her read the numbers out.”

Once Carnduff and her daughter had confirmed it, Carnduff went running outside to jump and shout.

“My daughter said, ‘Stop yelling in the backyard!’” Carnduff laughed. “The animals didn’t know what was going on, that’s for sure.”

The Regina winner said she has big plans for her big win.

“I’m going to look for a house, pay off the car, spoil the dog, and perhaps buy my granddaughter a car—it’ll be an early grad present!” she smiled.

Carnduff purchased her winning WESTERN MAX ticket from Klein’s at 873 Argyle St. N in Regina. She won her prize by matching a million-dollar prize selection in the April 18 WESTERN MAX draw: 3, 14, 16, 17, 19, 24, and 45.

For more than 50 years Sask Lotteries has been the main fundraiser for more than 12,000 sport, culture and recreation groups in communities across the province! Since 1974, through an agreement with the Government of Saskatchewan, lottery sales in Saskatchewan have been used to provide more than \$1.4 billion to support athletes from the grassroots level to the international stage, connect youth to artistic experiences, help residents experience the beauty of the parks that cover the province and so much more. Learn more about lottery beneficiaries, as well as games, jackpots, winning numbers and more at sasklotteries.ca.
