\$100,000 EXTRA win in Rolling Hills!

I had to check [my ticket] over and over – I'm still in shock!"

Derek Virostek tried something new and it – literally – paid off!

The Rolling Hills local purchased a LOTTO 6/49 and EXTRA ticket on his Lotto Spot app and won \$100,000 on the March 5 EXTRA draw!

"I usually play LOTTO MAX," he explained while claiming his prize. "But I decided to give LOTTO 6/49 a try this time around."

"I never thought I would win anything big," he continued. "I checked [my numbers] on the app and couldn't believe it. I had to check it over and over – I'm still in shock!"

The new winner said he checked his ticket while relaxing on his couch and knew what he was going to do with his windfall right away.

"I'm going to invest," he said. "Invest and save the rest for my kids."

Virostek purchased his winning LOTTO 6/49 and EXTRA ticket on the Lotto Spot app. He won his prize by matching the last six digits of the March 5 EXTRA selection – 2280383.
