\$1 million LOTTO 6/49 windfall in Edmonton

Ho Cuong is thrilled to be a millionaire after she won a \$1 million prize on the September 3 LOTTO 6/49 draw. She matched all numbers on the LOTTO 6/49 Guaranteed Prize Draw - 9345354-02 – on one of the final draws before LOTTO 6/49 [changed to a new format](#) last month.

Cuong purchased her ticket from Circle K at 9375 215 Street NW in Edmonton on September 1 and discovered her win a few days later using the Lotto Spot! app.

"When I checked it, I thought I won \$1,000," she recalled as she claimed her prize. "I didn't believe it was a million!"

To be sure, she returned to the same store she purchased it and asked the cashier to check it. The cashier scanned her ticket, confirming she was about to be \$1 million richer.

"My brain still wouldn't compute the amount," she laughed.

Cuong said she still needs time to think about what she'll do with her recent windfall. But she knows she would like to use some to help her family.

"Feels great!" she added.
